Consent statement

I, _____ [*patient's/kin's printed full name*], give my consent to _____ [*author's name*] to publish the information/image(s) about me/my relative in Oman Medical Journal.

I confirm that I am fully aware of all the images or details of me/my relative that is used in the manuscript and that I have read and approved it.

The following were explained and discussed with me.

1. Though my/patient's name is not included, anonymity will not be guaranteed.
2. I have the right to withdraw my consent as long as the manuscript is not yet accepted for publication, but once the manuscript is accepted, withdrawal of consent will not be possible.
3. Once the manuscript is accepted and published, the copyright of the images belongs to the publisher. If other authors will seek permission to use the image as part of their publication, the publisher has the right to grant it according to CC-BY-NC 4.0 Creative Commons license.
4. My/patient's image(s) or information will be published online and will be available to all the readers.

I agree with the above, and I accept the responsibility for completing this document and attesting its validity.
